

REMARKS

The Office action mailed September 21, 2005, set forth a restriction requirement alleging that claims 1-13 and 17-24 were drawn to a first invention (a method and apparatus for burn in test memory device), while claims 14-16 were drawn to a second invention (a voltage generator). Applicant hereby elects claim Group I for continued prosecution, without traverse. Applicant hereby cancels claims 14-16, without prejudice or disclaimer. Applicants reserve the right to pursue claims 14-16 in a divisional application.

All claims 1-13 and 17-24 are believed to be in condition for allowance, and the Examiner is respectfully requested to pass those claims to issuance. If the Examiner believes a teleconference will expedite the examination of this application, the Examiner is invited to contact the undersigned attorney at 770-933-9500.

No fee is believed to be due in connection with this Amendment and Response to Restriction Requirement. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to deposit account 20-0778.

Respectfully submitted ,
